Hello everyone!

I am a makeup artist and I am providing home services for makeup and hairstyling.

As I can truly understand that wedding day is the most important event in one's life, the services I provide will definitely bring the best out of you. You will never have to worry about bad service attitude with me =D

I specialise in:

- Bridal Makeover (Day / Evening)
- Photography Makeover
- D&D/Prom Makeover
- Fashion Makeover
- Hairstyling

My Makeup Portfolio can be seen from <http://www.flickr.com/photos/angelandfairy/sets/72157617581834034/show/>

Please contact me at 93675963 (Angeline) or [waiyeng2000@yahoo.com](mailto:waiyeng2000@yahoo.com) for further details.

Thank You! =)

"It's highly likely that the game is wow gold polished, with few or no bugs. The rift gold issue is balance, and until there is buy wow gold a large scale beta, Blizzard won't be runescape gold able to test every single weapon, defense, buy runescape money etc, in order to ensure that the swtor credits three races are perfectly balanced."But the Blizzard rift platinum team are perfectionists, he pointed out, and runescape money nobody at Activision will want to challenge wow gold eu them on when the game is finished.And even if the game is delayed into 2010, Modern Warfare 2 may be successful enough to offset the impact on profits this would have, Pachter predicted.
