Freya Rose collections take an innovative, romantic and breathtaking approach to classic couture shoes.

The shoes are handmade by craftsmen who have learnt their trade through generations, made in the finest materials from Italy.

The bridal and special occasion collection incorporates fresh water pearls, couture Parisian lace and heels adorned in mother of pearl in their inspired designs.

The intricate detailing of these beautiful shoes truly makes for a luxurious and unique collection.

Freya Rose studied footwear at the prestigious London college of fashion graduating in 2003 with a first class honors degree. Freya went on to hone her design skills whilst working for many other designers including Gina and designing for many popular high street stores.

Remember, most of the bridesmaids purchase their own clothes these days, which means that they prefer cheap mini wedding dresses that can be used more than once. Maybe that's why wives are under way with soft colors that are perfect for all formal occasions. Colors like black and platinum are the old favorites that never go out of style and can increase at any time. Bridesmaids also run for lighter colors such as sand charcoal, and lighter shades of yellow are more informal own ceremonies or dinners on the road. Burgundy and dark green are the best choice for weddings in the fall.
