a woman walks into a tattoo parlour. 'do you do custom work?' wow gold she asks the artist. 'why of course!' 'good. i'd like a swtor credits portrait of robert redford on the inside of my right thigh, buy wow gold and a portrait of paul newman on the inside of my cheap wow gold left thigh.' 'no problem,' says the artist. 'strip from the waist runescape money down and get up on the table.' after two hours of wow oro hard work, the artist finishes. the woman sits up and examines buy rs gold the tattoos. 'that doesn't look like them!' she complains loudly. 'oh cheap runescape gold yes it does,' the artist says indignantly, 'and i can prove runescape gold it.' with that, he runs out of the shop and grabs the first man off the street he can find; it happens to be the town drunk. 'well, what do you think?' the woman asks, spreading her legs. 'do you know who these men are?' the drunk studies the tattoos for a couple of minutes and says. 'i'm not sure who the guys on either side are, but the fellow in the middle is definately willie nelson!'
